Ecosystems

Name:

Date:

Write in the correct words. Use these words –
ant, bush, flower, leaves, mouse, owl, tree.

A photograph of a forest path in autumn, with trees and a ground covered in fallen leaves. Several inset images are placed over the main image: an owl in a tree trunk, a mouse on the ground, and a black ant on a leaf. Arrows point from these insets to empty rounded rectangular boxes. Additionally, arrows point from other empty boxes to various parts of the forest scene: a tree trunk, a bush, and the ground. There are also empty boxes at the top of the page with arrows pointing to the forest scene.

Diagram illustrating an ecosystem with various organisms and their interactions. The main image shows a forest scene with trees, bushes, and fallen leaves. Several inset images are placed over the main image, each with an arrow pointing to a corresponding empty box for labeling:

- Top left box: Arrow points to a tree trunk.
- Top middle box: Arrow points to a tree trunk.
- Top right box: Arrow points to a bush.
- Inset owl: Arrow points to an owl in a tree trunk.
- Inset ant: Arrow points to an ant on a leaf.
- Inset mouse: Arrow points to a mouse on the ground.
- Bottom left box: Arrow points to the ground.
- Bottom middle box: Arrow points to a bush.
- Bottom right box: Arrow points to a bush.
- Bottom center box: Arrow points to the ground.
- Bottom right box: Arrow points to a bush.
