Animal Adaptations

Name:

Date:

Write in the correct words. Use these words – plants, snow, snowshoe hare, spring, summer, white fur, winter.

A diagram illustrating animal adaptations. It features three rabbits: a small brown rabbit on a rock, a large white rabbit in snow, and a brown rabbit on the ground. Arrows point from empty boxes to specific parts of the rabbits, such as their ears, fur, and the environment they are in. The boxes are intended for students to write the correct adaptation words from the list provided above.

Diagram illustrating animal adaptations. The image shows three rabbits in different environments, with empty boxes for labeling their adaptations. Arrows point from the boxes to the corresponding parts of the rabbits.

Read the words you wrote.
