# Populations and Communities

Name:

Date:

Write in the correct words. Use these words –  
ants, bird, fern, moss, snake, sloth, tree.

A large photograph of a lush forest scene. Several callout boxes are overlaid on the image, each containing a smaller image of a specific organism or feature. Arrows point from these callout boxes to their corresponding locations in the main forest image. The callout boxes are: a bird on a branch (top center), a sloth on a branch (middle right), a fern frond (middle left), and a colony of ants on a log (bottom center). There are also several empty rounded rectangular boxes around the main image for labeling: one at the top left, one at the top center, one at the top right, one at the bottom left, one at the bottom center, and one at the bottom right.

Read the words you wrote.
